# Machine for Rubber Industries

## Automatic Feeding and cutting Machine

### Machine Features:-

- Settable Cutting size min.7mm. And Max. 100mm.
- Automatic feeding with pinch roller
- Save electricity
- Save man power.
- Cost effective
- Very compact design.

**YASH SYSTEMS MFG. CO. PVT. LIMITED**

# Machine for Rubber Industries

## Automatic Feeding and Slitter Machine

### Machine Features:-

- **Settable Cutting width min.10mm. And Max. 500mm.**
- **Automatic feeding with pinch roller**
- **Save electricity**
- **Save man power.**
- **Cost effective**
- **Very compact design.**

**YASH SYSTEMS MFG. CO. PVT. LIMITED**

Website : [www.yashsystems.co.in](http://www.yashsystems.co.in)

# Machine for Rubber Industries

## Silent Block OD-Defleshing Machine

### Machine Features:-

- Job Holding Fixture.
- Automatic Defleshing electrical control logic.
- Save electricity
- Save man power.
- Cost effective
- Very compact design.

**YASH SYSTEMS MFG. CO. PVT. LIMITED**

Contact .... Us.....  
Tele Phone : 020 - 27130218

# Machine for Rubber Industries

## Silent Block ID-Defleshing Machine

### Machine Features:-

- Job Holding And Clamping Fixture.
- Automatic Defleshing electrical control logic.
- Auto time base slide stroke with adjustment for effective Defleshing
- Save electricity
- Save man power.
- Cost effective
- Very compact design.

**YASH SYSTEMS MFG. CO. PVT. LIMITED**

Contact .... Us.....  
Tele Phone : 020 - 27130218

Website : [www.yashsystems.co.in](http://www.yashsystems.co.in)

# Machine for Rubber Industries

## Spraying System For Bush

### Machine Features:-

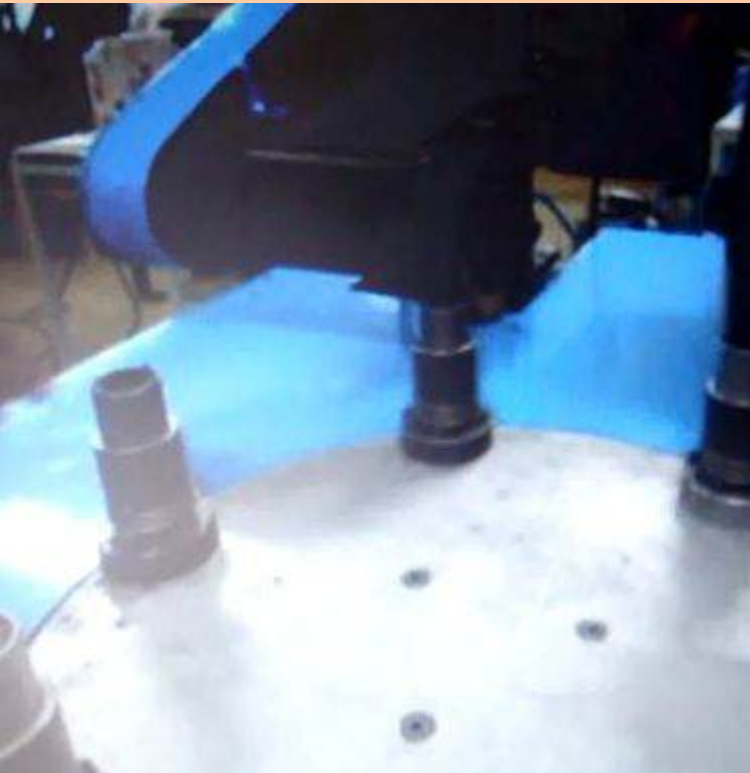

- Job Holding Fixture.
- Automatic Starrer and slide electrical control logic.
- Save electricity
- Save man power.
- Cost effective
- Very compact design.

**YASH SYSTEMS MFG. CO. PVT. LIMITED**

Contact .... Us.....  
Tele Phone : 020 - 27130218  
Tele fax : 020 - 27130792

Website : [www.yashsystems.co.in](http://www.yashsystems.co.in)

# Machine for Rubber Industries

## Bush Chamfer & Facing Machine.

### Machine Features:-

- Job Holding Fixture.
- Automatic Chamfering electrical control logic.
- Save electricity
- Save man power.
- Cost effective
- Very compact design Rotary Index Type.

**YASH SYSTEMS MFG. CO. PVT. LIMITED**
